

NUES Digital Library

SORA for Teachers and Students

SORA / OverDrive NUES is a free service offered by NUES for our students and teachers that lets you borrow eBooks, audiobooks, and more from our digital collection.

This collection of eBooks is in addition to the resources available through your county public libraries.

We have over 4,500 titles focused on the interests of elementary, middle and high school students.

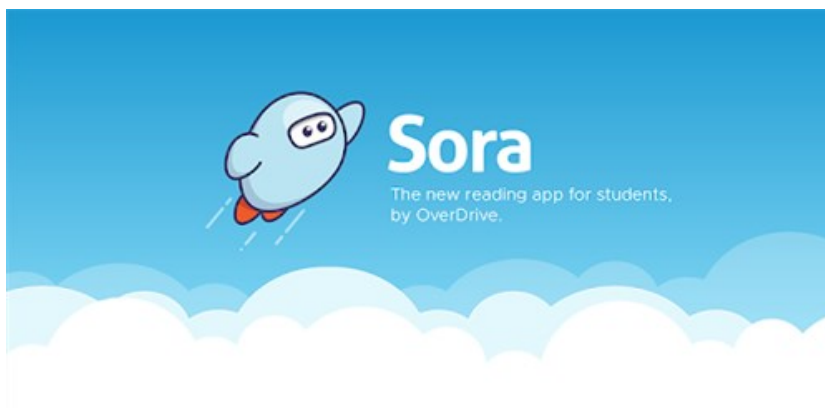

Our digital library also contains special collections which include books in Spanish, read-along books, and fast fun reads.

You may use Sora, OverDrive's app, to open our library's digital collection.

First time users can select '**setup code:** **nuesut** (or Choose My School: Northeastern Utah Educational Services)

To sign in, enter the same e-mail and password you use for **your school computer use log-in**.

If you have any questions about your log in credentials please reach out to your school districts IT department.
